*A monument, like a will, is a validation of one's life.
It says that you were here, that you lived in a period of human history.
A cemetery is the validation of the existence of a society ©*

Restorations

BEFORE

AFTER

Whether you require Restoration of a neglected vintage monument, or Renovation or upgrade of an existing memorial, GIANNARELLI MEMORIALS has the knowledge and expertise to restore your loved one's resting place back to its original glory.
